The Schools.

We have the pleasure of adding to the long list of schools seeking patronage from Mississippi-

walks this year. The good work was slow in the South. For several years it has in starting, but now every citizen who improves his pavement wants his neighbor to N. Randolph, distinguished as an author Wesson Methodist Sunday School... proves his pavement wants his neighbor to do likewise.

N. Randolph, distinguished as an author and educator. She is a grand-daughter of Thomas Jefferson, and author of the "Do-St. Andrews' Sunday School, Jackmestic Life" of that great man. Our public wrate schools of the city is friend, Mrs. Stamps, is interested in again under consideration. If it can be Patapsco Institute, and that fact alone will

Very fortunately for the cause of educa-sional aspirations. He is more at ho and more useful in the school room, than he could possibly be in Congress, although his qualifications for the latter position are first-class. As an instructor, he is earnest, thorough, conscientious. Students under him can have the benefits of a complete course in Latin, Greek, French, Mathematics, English Language and Literature, etc. We know of no better school at urer. which to prepare for a University course.

The Louisi and State University and Agricultural and Mechanical College, at Baton Rouge, will open its next session on the 5th October. Col. D. F. Boyd is President, and is supported by an able faculty. The University is steadily increasing its Bank, so that all interested can get full inenjoying deserved prosperity.

instructors, as heretofore. The terms are very reasonable, considering the superior tire amount: advantages of the Institute.

-Master Homer Taylor, and his bright little sister, Miss Dalsy, have been doing good work in West Jackson for the Pro-

Tribute of Respect.
"God's finger touched her and she slept."

After seven years of patient, weary suffering, or August 7th, 1884, at the residence of Mr. Sylvester Torry, Miss Lou Axxa Buis, only daughter of the late Duniel G. and Emily Buie, of Union Church, were no cash bidders. Railroads, like all other expensive projects just now, are affected by the monetary pressure. The sale on Monday perfects the claim of the fitted to refine the already chastened soul, and presale on Monday perfects the claim of the Bank to the amount of its judgment, which we have no doubt it will soon realize.

Sited to refine the already chastened soul, and prepare it for an entrance into the "house not made with hards." She had been called upon to part not only with a family of loving brothers and sist but had seen a devoted father and mother leave her places. We want to add all contributors alone in her grief; and now, for seven years, her to this roll, whether amounts are sent to friends have seen her slowly gliding from their this office or direct to the Asylum.

More than four-fifths of the creditors of Green's Bank having ratified the report of the Committee's plan of adjustment, all who have not yet signified assent are cited to appear at next term of Chancery Court management Man.

OFFICIAL PROCEEDINGS -OF THE-

BOARD OF MAYOR AND ALDERMEN

-OF THE-

CITY OF JACKSON.

SPECIAL MEETING.

JACKSON, Miss., August 4, 1884. At a special meeting of the Board of Mayor and Aldermen of the City of Jackson, held Monday August 4, 1884—Present: Hon. Jno. McGill, Mayor: Aldermen, Braun, Gibbs, Hardy, Jones, Taylor and Watkins.

The Board proceeded to the final examination of the Assessment for the current year, and to the hearing, and determining of all objections and petitions in relation thereto, as follows to-wit:

In the matter of the petition of I. C. Enochs, it was ordered that the ssessment against him of \$500.00, "amount money employed in merchan-

dise," be reduced to \$150.00. Ordered, That the valuation of the cattle assessed to Mrs. F. A. Wolfe be reduced from \$1000.00 to \$800.00. Ordered, That the assessment to Mrs. M. L. Haberstroh, of \$1900.00, "amount of money on hand, or on deposit, or loaned," be reduced to Ordered, That the assessment to Jno. Conway, of \$1000.00, on "amount of money employed in merchandise," be reduced to \$500.00.

Ordered, That the valuation on piano assessed to Mrs. M. D'Ambrogia. be reduced from \$100.00 to \$50.00, Ordered, That the assessment to C. C. Campbell of one pistol, value \$10.00, be reduced to \$5.00, and two watches, value \$100.00, be reduced to Ordered, That the following described lots now assessed to J. S. Hamil-

on, to-wit 54} feet off south end lots 5 and 6, and lots 7 and 8, square 8, North Jackson, be assessed to Galloway & Moore.

Ordered, That the valuation on the lot assessed to Sam French, 532 feet in 8 93-100 acre lot 3, South Jackson, now placed at \$750.00, be Ordered, That the valuation on the lot I acre in southwest corner, lot

20, Helm Survey, assessed to J. D. Monahan, agent, now fixed at \$400.00, Ordered, That the valuation on west half lot 7, square 1, North Jackson, assessed to Mrs. Mary V. Cooper, now placed at \$3500.00, be reduced

Ordered, That the description in assessment to Samuel Livingston of s₁, lots 2 and 7 Court Square 1, South Jackson, be changed so as to read lots 9, 10, 11, and 12, being 4 and 5, old map, Court Square 1, South Jackson Ordered, That the assessment to Mrs. R. McGinnis, of \$359.00, "amount of money on hand, or on deposit, or loaned," be reduced to \$250.00, and that the valuation on northeast quarter 2 acre lot 10, South Jackson, be reduced from \$441.00 to \$250.00, and that the valuation on 80x160 feet in southeast corner 3 acre lot 13, South Jackson, be reduced from \$500.00

to \$300,00. Ordered, That the valuation on 30 feet front on Tombigbee street by 80 feet back, west part lot 1, square 4, South Jackson, assessed to Phillip Hart, now placed at \$250.00, be reduced to \$150.00.

Ordered, That the following described real estate be added to the As-

Mrs. Elizabeth Herbert-West half, west half, lot 8, square 2, South Jackson, value \$825.00.

J. & B. Hart-South half of northeast quarter of 2 acre lot 2, South Jackson, value \$300.00. J. S. Hamilton-Lot 1, Hooker Survey, and lots 61 and 62, West Jackson, value \$1500.00. Name unknown-Lot 12, Bankston Survey, value \$300.00.

The Assessment Rolls, so examined, corrected and approved, were, on otion, declared final and conclusive as to the assess The petition of J. M. Benson & Co., retail liquor dealers, for permission to remove their place of business from Capitol street, to south side of Pearl street, between State and President streets, was, on motion, granted.

There being no further business the Board, on motion of Alderman Gibbs, adjourned. JNO. McGILL, Mayor.

Marked Trout. It is the custom of some of our fish

liberated salmon, that when captured

again the growth of the fish may be noted. We once knew an angler who was in the habit of putting his mark on trout; but he did not use a metal tag. It was a rule with him to retain no trout that weighed less than one-half pound. When he landed one of less weight, he would carefully take it from the hook, mark it by biting off the upper portion of its tail-fin, and throw it back into the water to grow. Sometimes he would catch these fish again Col. Power: Enclosed please find four after they had attained the proper size dollars from my sister Eugenie and myself, to find a place in his basket; and it was often a source of pleasure to him to receive a letter of thanks from some fellow-angler who had chanced to take one of the marked big fellows. One day this biter of trouts' tails was driving along some eighteen miles from "Oh, that men would praise the Lord for His goodness and for His wonderful works to the children of men, for He has tackle, he drove back over these eightackle, he drove back over these eightackles." home, when he came to a bridge over teen miles and tried for a rise. like result. The third day, nothing Deshler Female Institute!

The St. Gothard Tunnel.

A difficulty that has for a long time puzzled the engineers of the St. Gothard railway seems on the point of being removed. Everyone who has traveled by the line has cause to remember the experience in passing through the great tunnel, the passage of which occupies fined atmosphere injurious to persons with delicate lungs. The company fequested their engineers to submit plans for engines that would be capable of passing through without using fire. Two experimental engines just completed are provided with steam and water that is heated by a stationary boiler at each end of the tunnel. The MECHANICAL
